PROGRAMMING UPDATE

We are thrilled to announce that we are bringing in the Meulenstein Method program starting this fall. Meulenstein Method is a player and coaching development program that will develop our coaches so they can help our players to improve both technically and tactically. This program will provide a level of training and support for coaches as well as player development for all of our teams.

Website Update

You may have noticed that we've been relying heavily on Facebook to communicate and that we have not had a website in a while. We are excited to announce our website is now up and running. Everything registration-related will be handled through this new website: photos, payments, paperwork, birth certificates, everything.

Please go to www.lassosoccer.com and check out the updates.

Money for LASSO by shopping on AMAZON!!!!

LASSO can earn money when people click through our Amazon Smile link to do their shopping at Amazon! Via its Amazon Smile program, Amazon donates one-half percent of qualifying purchases to any valid non-profit / charitable organization. We registered LASSO with the Amazon Smile program a few months ago. Everything about the shopping experience is the same as if you go directly to [amazon.com](https://smile.amazon.com).
